Instructions:

1. Print above card template on cardstock paper.
2. Cut along black lines.
3. Using a coffee grinder, grind dried rose petals into a fine powder. Place rose powder in a bowl.
4. Add 5-10 drops of rose essential oil (any variety) to powder. Mix well to disperse scent.
5. Using a glue stick, coat the bottom third (1/3) of your Valentine's Day card with glue.
6. Quickly, sprinkle the rose powder over the glue. Shake the excess back into the bowl.
7. Allow cards to dry overnight.
